

## SEASON'S GREETINGS NEWSLETTER [2012]

### ILIAS'S LEGACY BLACK RUSSIAN TERRIER KENNEL

#### HAPPY HOLIDAYS!

We hope that you and your family and your beloved BRT have enjoyed a prosperous and healthy year.

We've had a busy year welcoming new owners to our kennel, and catching up with old friends.

This year's puppies have found new homes in Ontario, Alberta, Nova Scotia, Saskatchewan, British Columbia, New York, Texas, Washington, Missouri and Tennessee.

Our "kennel" family grows, and we have received many wonderful e-mails [[brtfairy@yahoo.com](mailto:brtfairy@yahoo.com)] and pictures from you. Thank you for keeping us updated with your stories, your participation in dog shows, working competitions, parades, breed information booths and your funny family moments.

Interest in the BRT breed has seen positive growth, thanks to all the combined efforts of the BRT Club of Canada, breeders and owners.

**To all our kennel's family,**

**WISHING YOU A JOYOUS NEW YEAR!**

## PUPPIES!

Three litters were born this year:

**Bluemoon** litter on January 12<sup>th</sup>

**Charisma** litter on January 24<sup>th</sup>

**Toruk** litter on September 14<sup>th</sup>

22 happy and healthy boys and girls!

Two litters of Grand-Puppies were born:

Gypsie's grand-puppies by the Slavnitza kennel and Mars' grand-puppies by the Balthazar Kennel.

Congratulations!

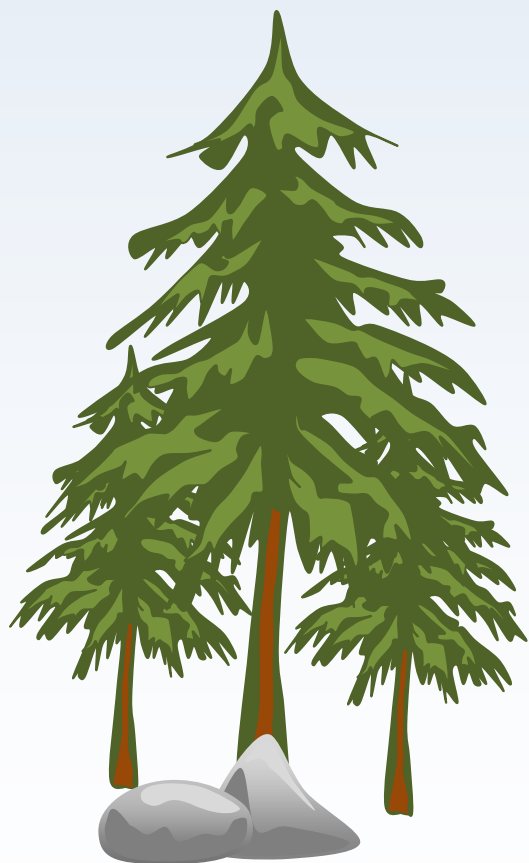

## PLANS FOR THE NEW YEAR

We will continue with our breeding program, and meeting people who are interested in becoming new *parents*.

We had a busy year participating in shows presented by the CKC, ABIDS, CMA and the RBCSWO.

We were happy to see so many of our kennel family participating as well, and hear their success stories, and look forward to seeing you in the coming year.

## QUOTES!

If you think dogs can't count, try putting three dog biscuits in your pocket and then giving your dog only two of them.

Dogs laugh, but they laugh with their tails.

Did you ever notice when you blow in a dog's face he gets mad at you? But when you take him in a car he sticks his head out the window.

No one appreciates the very special genius of your conversation as the dog does.

Dogs feel very strongly that they should always go with you in the car, in case the need should arise for them to bark violently at nothing right in your ear.

Whoever said you can't buy happiness forgot little puppies.

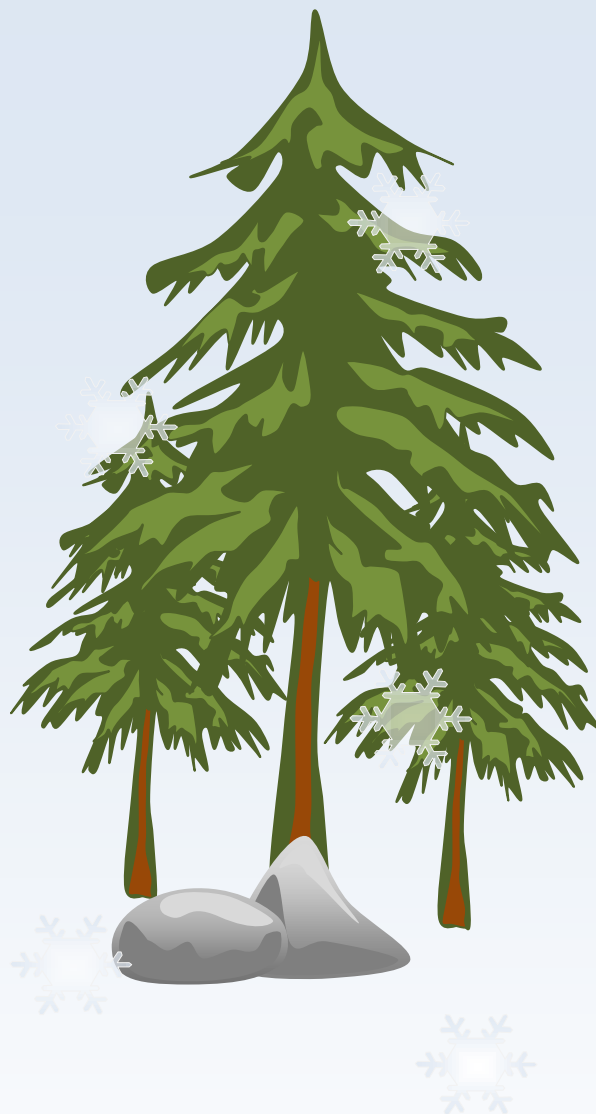

If every time you saw me, you gave me a backrub, I would run to greet you too!

## IN MEMORIAM

Our dogs bring us so many special moments and teach us the meaning of unconditional love.

We lost our beloved Fairy, Mars, Gypsie and Isaiah this year. They will continue to live on in our memories forever.

Our condolences are extended to those who have lost a loved one during the past year.
